When your father is your real life super hero and you are his, this plate will say it all.

SUPER HEROES PLATE

MATERIALS

- Bisque: Smooth Dinner Plate
 - Pen • Template
 - Fan Brush
 - Small Round Brush
 - Detail Brush
- Paint: 76, 67, 69 108, 90, 31

TIPS

- Blend colors into one another by overlapping the coats and also by dipping Fan brush in water and running it along the areas where colors meet.
- To trace the design onto plate, place the template over painted background before it is completely dry. Pressure from a pen will leave visible indentations.

INSTRUCTIONS

1. Paint the background using a fan brush. Follow the shape of the plate while painting. Start in the center with Yellow # 76 and paint a big circle in the middle of the plate.
2. Blend in some Orange # 69 around the yellow center.
3. Continue painting the background along the edges of the plate with Dark Red # 108. Blend it into the orange ring.
4. Add a second coat to the background by repeating the first 3 steps.
5. Water down some White # 67 and lightly cover the center part of the yellow circle using a Fan brush.
6. Water down some Red # 90 and add a light coat over the dark red edges of the plate blending it into the orange. Let dry for a few minutes.
7. Place the template sheet over the background and trace the outlines with a pen. Hold the sheet with one hand and trace with the other. Remove paper when finished. The lines will show as light indentations in the painted background.
8. Paint inside of the outlines with Black # 31. Apply 2 coats. Use small and medium round brushes.
